Terms and conditions

Order

You have to obtain a quotation and for this you must: Complete and then return one of the documents in the 'Order' section Contact us by phone, by mail or by mail specifying the nature of your order. please fill in your contact details (name, first name, address of delivery and billing, telephone number, email ...) and / or supplement if necessary your order, on the copy of the estimate that you must return to us. In the absence of pre-selection of the color or mandatory options, we reserve the right to award the options of our choice. You have a delay of one week on receipt of the quotation validated by our services to modify this one. We can not be held liable if any of the items on the latter cause a problem. For example: delivery address different from billing address To validate our order, we need a signed copy of the quotation and the payment of a deposit or the whole of the order (unless otherwise agreed) . The validation of the order implies acceptance of the present conditions of sale, the acknowledgment of having full knowledge and the waiver to avail itself of its own conditions of purchase or other conditions.

Payment terms

You can pay by check (payable to HHO SAS), by bank transfer or by cash (Maximum 1000 €). For other forms of payment, prior agreement is required from us. A deposit is requested to the order (variable amount selon product), the balance must be paid before the departure of your order, either at the removal or before the departure of your order.

Tarif

The prices shown on the site are prices inclusive of VAT in Euro, indicative data taking into account the VAT applicable on the day of the order. We reserve the right to change the price on the website at any time. Prices do not include delivery charges. A paper invoice or by mail will be sent to you showing the VAT.

Le délai de rétractation

D'après l'article L.121-20 du Code de la consommation, tout consommateur bénéficie d'un délai de 7 jours pour exercer son droit de « rétractation sans avoir à justifier de motifs, ni à payer de pénalités, à l'exception des frais de retour ». Les acheteurs, personnes physiques non professionnelles, bénéficient d'un délai de rétractation de sept jours à compter de la livraison de leur commande pour faire retour du produit au vendeur pour échange ou remboursement sans pénalité, à l'exception des frais de transport.

Delivery

Deliveries are made to the address specified on the quotation. The address chosen will be the delivery address or in case of absence the address of Billing. The order form must also include a telephone number so that the carrier can arrange an appointment for delivery. The Delivery address must be an address accessible to transport (heavy weight). Otherwise, the cost of representations may be allocated to the customer. Receiving your order, you must verify that it is intact and complete. It is your responsibility to make reservations with the carrier. No claim can be made if reservations have not been made in the rules with the carrier. Any modification or peculiarity must be placed on the order form, and may be re-invoiced by the seller. Shock and impact due to delivery are not covered by the machine warranty.

warranty

All products supplied by the seller benefit from the legal guarantee provided for in articles 1641 and following of the Civil Code. Our products are guaranteed 1 year parts and labor. For parts, you must contact us beforehand and in case of agreement of our part we return them (unless otherwise advised by us) at your expense.

If our checks confirm the malfunction, we will replace the part.

For the Workforce, the customer must also contact us beforehand. The guarantee is made in our workshops located in St Hilaire du Bois (17500). The transport (Go and Return) are at the Customer's expense.

In all cases, any claims, requests for exchange or refund must be made with an agreement of our part in advance.
